Blok Desk in Hot Rolled Steel

With a minimal aesthetic, the elegant lines and angles of the **Blok** range of reception desks are specified for office and reception spaces of all sizes, from a selection of modular components which are installed as one highly finished piece. Available as part of the Isomi in Metal collection in lacquered hot rolled steel, copper and brass, the desks are perfectly suited to contemporary public spaces and reception environments.

Key features

Easy to specify modular components

Three height options of 760mm, 950mm and 1100mm as standard

CAD and BIM files available

Illuminated branding, sign-in platform and storage units available as options

Reception desks can be handed to the left or right

DDA modules available

Inset black matt laminate worktop, LED light trough and cable management included as standard

Made in authentic, hand-selected hot rolled steel.

Available in 6–8 weeks (UK), 12-14 weeks (US)
